Thanks for your effort and follow through.

I am still interested in attending today.

I will see you at 1:45 PM at City Hall today, unless you wave me off.

Hi Ana and Don,

Marc will not be attending the meeting today so it will be you two and me. Don, I know that you have specific business to discuss. And Ana, it would be a good time to discuss the dumping situation behind your location.

Let me know what you think. I am still interested in attending.
